

WHIZard Academy for Mathematics & English

Homework & Exam Prep BoosterClub

Need extra help with homework & exams?
The WHIZard Academy *BoosterClub* is for you!

BoosterClub members are good students in grades 6 through college who would benefit from extra, as-needed tutoring & support in their current math, chemistry & physics classes, including Algebra, Geometry, Adv. Functions & Modeling, AP Calculus, Statistics, AP Chemistry & AP Physics.

BoosterClub members call ahead to reserve sessions Monday through Thursday, 3:45 - 7:30pm, & Saturday 10am - 2pm. The minimum length of each session is 1 hour, extended in 30-minute increments. Each student has a private, quiet study-station, free of distractions. Our certified, experienced tutors work from each student's class book & handouts, supplemented by WHIZard Academy's extensive review and practice resources. Unlike our premium tutoring & enrichment programs, the *BoosterClub* does not include a skills assessment, customized curriculum, progress reports & rewards, interim testing, or the WHIZard Academy Achievement Guarantee.

Initial registration is \$10. Each hour is \$42.00 (one half hour is \$21.00), paid by cash, check or credit card at the end of each session. *A block of 5 hours can be pre-paid for \$199, saving over \$2 an hour.* Space is limited, so be sure to call ahead to confirm your *BoosterClub* seat!!
